## Monarch Butterfly Fund Financial Statements 2019-2021

The Monarch Butterfly Fund uses donations to support the conservation of monarch butterflies and their migration. In 2021 we supported seven projects with a total of \$68,387. In 2020, we gave \$76,855 in awards for eight different projects. In 2019, we gave \$111,245 for 11 different projects. The more donations we receive, the more projects we can support in the cause of monarch conservation. The Monarch Butterfly Fund is a 501(c)(3) charitable organization, and all contributions are tax deductible. Our programmatic efficiency (income spent directly on programs) is 80-83%, a high level for non-profit organizations.
